Thanks to everyone who took part in our Corpus Christi Procession and our 40 hours of Adoration last weekend.

Two Loreto students and a young man from the parish will be part of the three million young people who will celebrate World Youth Day with Pope Francis in Krakow, Poland from 25 – 31 July.

The will be accompanied by two teachers who have been trained to act as group leaders for larger groups travelling from the Fingal area.

St Finnian's parish have generously sponsored those travelling and Loreto has contributed 1800 euro from various fundraising initiatives. The students are looking forward to this great experience and will share some of the highlights with us during the coming year.

Loreto students and teachers participated in many parish liturgical celebrations during the last school year –were part of the Harvest Festival celebrations, marked Catholic Schools Week and a group of students sang at the Corpus Christi celebrations and took part in the in procession after the Mass last Saturday evening. The help of family was evident in bringing school, parish and home ever closer together.
