Volunteers Needed

The parish is looking for new volunteers to take part in different groups within the parish. The River Valley Parish Pastoral Council very much hope that our parish will be able to rely on your goodwill and support. Please take a booklet home with you this weekend. The booklet has been published explaining the role of each group within the parish. Read about all the great work that our groups do in order to keep your parish up and running in a way that serves our community. See what difference you could make by volunteering. You will make a difference!

Trip to Lesotho

Our Lady Queen of Heaven community has yet another fantastic young person from our community that will try to make a difference. Jackie Lane former Altar Server is in transition year in Portmarnock community school and hopes to travel to Lesotho next February with Action Ireland trust. Students from her school have travelled there for the past 12 years and although they have improved the living conditions there, there's still lots more to be done. The project seeks to improve living conditions with an emphasis

on education. Jackie will work with students from ages 4-18 in both primary and secondary schools and share her knowledge with them. She will also be involved in construction and the overall improvement of classrooms. Funds collected will go towards the central fund to buy things like building materials. Jackie will be seeking your support with her fundraising. She will speak at the 11am Mass on the 15th October. There will be tea and coffee after Mass and as usual all are very welcome.
